

2012 INDIVIDUAL SPONSORSHIP PACKAGES

Humboldt Roller Derby is entering its 5th year! Since our first bout in May of 2008, the league's membership has more than doubled in size and HRD is on its way to becoming a member of the Women's Flat Track Derby Association (WFTDA).

We play for sold out crowds of over 600 people and turn many away at the door. Our long term goal is to own a facility that can accommodate more fans.

We need your help to sustain the growth of Humboldt Roller Derby. Your support will allow us to expand our membership, host traveling teams on our home track, and help us travel to away games and tournaments.

In order to meet our goals for 2012, we need your help. Your individual sponsorship gives you access to Humboldt Roller Derby merchandise, season tickets, and a shout out of thanks in our season program.
